

Acceptable properties must be domestic dwellings of traditional masonry construction, located in mainland England, Wales or Scotland, in a good state of repair and occupied as the main residence.

In addition:-

- All properties will be subject to application and valuation
- All properties must be acceptable as mortgage security to a bank or building society
- All properties must be free of any tenancy restrictions
- The seller must demonstrate good clean title
- For leasehold properties, the age of the youngest client plus the outstanding lease must be at least 145 years

Individual dwellings not conforming to the above criteria but of prime quality may be considered subject to application and valuation, but with the following exceptions:-

Unacceptable Properties

- New build properties – Any newly built property where the developer is still on site and marketing new properties within the same development
- All flats
- Retirement homes & sheltered housing
- Ex Local Authority Properties
- Caravan / park homes
- Commercial properties
- Properties defective under the 1984 Housing Act
- Pre-fabricated Reinforced Concrete (PRC)
- Large Panel Systems (LPS)
- Steel framed or steel clad properties
- Flat roofed properties
- Single skin construction
- Dwellings containing Mundic concrete or High Alumina cement
- Maisonettes above commercial premises
- Properties with agricultural restrictions

Individual Consideration - please refer with full details
